APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of the waters of the Truckee River as set forth in Claim 3 of the Truckee River Final Decree and under a portion of Permit 48544, which changed the place of use of a portion of Claim 3 in the Truckee River Final Decree. This permit to change the place of use of a portion of the waters of the Truckee River as set forth under the Newlands Reclamation Project rights in the Truckee River Final Decree is issued subject to the terms and conditions imposed in said decrees and with the understanding that no other rights on the source will be affected by the change proposed herein.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 6.88 acre-feet as decreed.
